## TOP NEWS

### **VW Gets Wyo. Diesel Emissions Suit Tossed**

The California federal judge overseeing the multidistrict litigation over Volkswagen AG's diesel emissions scandal on Thursday tossed Wyoming's suit alleging the automaker violated the state's anti-tampering laws and seeking billions of dollars in penalties, finding its claims were barred by the Clean Air Act. [Read more »](#)

### **Pa. DEP Approves Permits For \$1.9B Williams Pipeline**

Pennsylvania environmental regulators said Thursday they've issued permits for Williams Partners LP's \$1.9 billion Atlantic Sunrise natural gas pipeline project, and the company said it will seek a green light from the Federal Energy Regulatory Commission, which approved the project in February, to start construction. [Read more »](#)

### **Fed. Agency Illegally Blocked Mineral Royalty Rule: Judge**

A California federal judge said Wednesday that the Trump administration had no authority to postpone the requirements of an Obama-era coal and mineral royalty rule after the measure had already gone into effect. [Read more »](#)

### **DC Circ. Won't Put EPA Chemical Rule Delay On Hold**

The D.C. Circuit on Wednesday let stand the U.S. Environmental Protection Agency's delay of an Obama-era chemical risk management rule while it's being challenged in court, saying the environmental groups and an industrial union trying to nix the delay haven't shown that's warranted. ## W.Va. County Injection Well Ban Barred By State Law: 4th Circ.

A divided Fourth Circuit panel said Wednesday that a West Virginia county can't prohibit EQT Production Co. and other companies from operating underground wells that store wastewater from oil and gas production, holding that such a ban would interfere with state laws. [Read more »](#)

## Industry Challenges EPA's Regional Consistency Rule

Three industry groups Wednesday asked the D.C. Circuit to strike down a U.S. Environmental Protection Agency rule that restricts the effects of a federal appeals court's decision on a nationally applicable regulation to that court's jurisdiction. [Read more »](#)

## Powertech Fights Tribe's Challenge To SD Mine License

Mining company Powertech told the D.C. Circuit on Wednesday it backs the federal government's argument that the appellate court lacks jurisdiction to consider the Oglala Sioux Tribe's challenge to a license issued to a company for a proposed uranium mine in South Dakota. [Read more »](#)

### Law360's Weekly Verdict: Legal Lions & Lambs

Vinson & Elkins LLP and Levine Sullivan Koch & Schulz LLP topped this week's list of legal lions after a federal judge tossed Sarah Palin's defamation suit against their client, The New York Times, while two plaintiffs law firms landed on the lambs list after the Seventh Circuit threw out a "worthless" settlement they reached in an MDL over the size of Subway's sandwiches.
